And if there was a referendum tomorrow on
Scotland leaving the United Kingdom and
becoming an Independent Country and this was
he question, how would you vote?
o you agree that Scotland should be an
independent country?

$$
\begin{array}{rc|cccc|cccc|cc|cccc|cc|cccccccccccc}

## Some had argued that the referendum should ffer people the straight choice over whethe Scotland should remain part of the UK or negotiate independence. Others however felt that a third option should be included on the ballot paper, offering people the chance to vote or an extension of powers for the Scottish parliament. Regardless of how you would vote, do you think the referendum should have...?

Been a straight choice over independence Included a third option to extend the powers of the Scottish parliamen

Neither
