

LONDON

We interview a representative sample of London adults (aged 18+) twice weekly.

The YouGov London Omnibus is drawn from a panel of 45,000 London adults, representing all ages, socio-economic groups and demographics.

- Standard questions allow up to 10 answer options, or 2 statements answered against a scale. Additional answer options are available on request.
- Costs cover questionnaire design and data tables including analysis by gender, age, region (Central, North, East, South, West), social class, children in household, working status and marital status. Additional analysis is available on request.
- Add further insight to your results with a summary report.
