Sept 8-9 2011 March 8-9

Imagine it was the case that a top tax rate of 50p did not bring in any extra money. Which of the following would best reflect your view?

- If a 50p top tax rate does not bring in any extra money then it should be abolished
- A 50p top tax rate should be kept regardless of what it brings in - it is morally right that the rich should pay higher taxes
- Neither
- Don't know

Currently people can claim back tax on any money that they pay towards a pension for when they retire. Since higher rate taxpayers pay more in tax (40%) than people who pay basic rate income tax (20%), higher rate taxpayers also receive more back when they pay money into a pension.

Which of the following best reflects your view?

Higher tax relief on pension contributions should be abolished - all taxpayers should receive the same tax relief on pension contributions	38	37	39	45	37	37	40	38	38	20	32	40	49	38	38	38	38	41	38	33
Higher tax relief on pension contributions should be kept - We should do all we can to encourage people to save as much as they can for their retirement	39	50	38	42	48	38	36	44	34	38	43	38	37	44	32	42	41	37	36	40
