16. Views on letting states decide abortion policy

What if some people on both sides of the abortion debate proposed not to decide the question at the national level, leaving it up to the states instead? That way more liberal states would be free to make gay marriage legal and more conservative states would be free to make it illegal. Would you find this compromise acceptable, or do you think we need to have one marriage policy for the whole country?

	Total	Age			Race			Gender		Education

The Economist/YouGov Poll

March 31-April 3, 2012

Sponsorship	<i>The Economist</i>
Fieldwork	YouGov
Interviewing Dates	March 31-April 3, 2012
Target population	U.S. citizens, aged 18 and over.
Sampling method	Respondents were selected from YouGov's PollingPoint panel using sample matching. A random sample (stratified by age, gender, race, education, and region) was selected from the 2005–2007 American Community Study. Voter registration, turnout, religion, news interest, minor party identification, and non-placement on an ideology scale, were imputed from the 2008 Current Population Survey Registration and Voting Supplement and the Pew Religion in American Life Survey. Matching respondents were selected from the PollingPoint panel, an opt-in Internet panel.
Weighting	The sample was weighted using propensity scores based on age, gender, race, education, news interest, voter registration, and non-placement on an ideology scale. The weights range from 0.3 to 4.9, with a mean of one and a standard deviation of 0.69.
Number of respondents	1000
Margin of error	± 3.8% (adjusted for weighting)
Survey mode	Web-based interviews
Questions not reported	26 questions not reported.
