**Local councils in many parts of Britain are cutting some of their services. Thinking about the area where you live, which of these statements comes closest to your view?**

- Central government is mainly responsible, because it is cutting sharply the money it gives to the council where I live
- My local council is mainly responsible, because it could achieve most of the savings it needs by cutting costs, without cutting services
- Neither - I am not aware of significant cuts to services in my area
- Don't know
