1. Equal distribution vs total wealth

When it comes to the distribution of wealth in the U.S., which would you prefer?

	Total	Gender		Age				Party ID		
		Male	Female	18-29	30-44	45-64	65+	Democrat	Independent	Republican
A more equal distribution, even the total amount of wealth was reduced.	39%	35%	43%	44%	46%	37%	28%	67%	32%	15%
Increasing the total amount of wealth, even if its distribution is less equal.	31%	42%	20%	25%	25%	32%	41%	12%	32%	53%
Not sure	30%	23%	37%	30%	28%	31%	31%	21%	35%	32%
Totals	100%	100%	100%	100%	100%	100%	100%	100%	100%	100%
(Unweighted N)	(982)	(464)	(518)	(168)	(263)	(387)	(164)	(340)	(405)	(237)

	Total	Race			Family Income				Region			
		White	Black	Hispanic	Under 40	40-80	80-100	100+	Northeast	Midwest	South	West
A more equal distribution, even the total amount of wealth was reduced.	39%	36%	57%	41%	47%	39%	24%	33%	42%	35%	37%	44%
Increasing the total amount of wealth, even if its distribution is less equal.	31%	35%	17%	18%	18%	35%	56%	45%	29%	31%	34%	27%
Not sure	30%	29%	26%	41%	35%	26%	20%	22%	30%	33%	29%	29%
Totals	100%	100%	100%	100%	100%	100%	100%	100%	100%	100%	100%	100%
(Unweighted N)	(982)	(737)	(114)	(131)	(380)	(277)	(61)	(119)	(159)	(218)	(353)	(252)

2. Distribution fair
Do you think the distribution of money and wealth in this country is fair or should it be more evenly distributed among people?

	Total	Gender		Age				Party ID		
		Male	Female	18-29	30-44	45-64	65+	Democrat	Independent	Republican
Distribution of wealth is fair	29%	35%	23%	19%	22%	29%	49%	11%	28%	55%
Should be distributed more evenly	52%	48%	56%	59%	62%	52%	29%	79%	48%	24%
Not sure	19%	18%	20%	22%	16%	18%	22%	9%	25%	21%
Totals	100%	100%	100%	100%	100%	100%	100%	100%	100%	100%
(Unweighted N)	(985)	(465)	(520)	(167)	(263)	(390)	(165)	(340)	(407)	(238)

	Total	Race			Family Income				Region			
		White	Black	Hispanic	Under 40	40-80	80-100	100+	Northeast	Midwest	South	West
Distribution of wealth is fair	29%	33%	12%	22%	17%	38%	46%	40%	21%	24%	38%	26%
Should be distributed more evenly	52%	48%	69%	59%	62%	50%	42%	44%	61%	52%	47%	55%
Not sure	19%	19%	20%	19%	21%	12%	12%	16%	19%	24%	16%	20%
Totals	100%	100%	100%	100%	100%	100%	100%	100%	100%	100%	100%	100%
(Unweighted N)	(985)	(740)	(113)	(132)	(380)	(277)	(61)	(119)	(159)	(217)	(355)	(254)
