Currently all instances of someone having sexual intercourse with someone else without that person's consent are treated as the same offence of rape by the law, though judges will take factors like whether violence was used into account when passing sentence.

Which of the following best reflects your view?

The law should continue to treat all instances of someone having sexual intercourse with someone without that person's consent as rape	66	66	72	59	60	66	70	70	60	72	53	62	70	72	68	64	63	65	66	68	68
The law should have different categories of rape, depending on factors like whether violence was used	25	30	21	33	34	28	22	23	31	20	27	28	23	24	23	28	25	28	24	24	24
