**Which of the following statements comes closer to your view?**

Many of the world's problems can be tackled only if Britain joins forces with other countries, and often agrees to compromise in order to secure international agreement	<b>34</b>	29	43	50	9	25	40	47	38	30	34	38	31	34	41	24	40	32	36	31	36
The value of international agreement is often overstated. With very rare exceptions, Britain should do what it thinks right, regardless of what other countries decide.	<b>45</b>	60	37	32	82	62	41	31	46	45	29	35	50	56	42	50	44	46	46	44	48
