6. Using budget reconciliation to pass health care reform

In the Senate, it takes the votes of 60 out of 100 Senators to stop debate and force a vote on a bill. But Democrats in the Senate may use a parliamentary procedure known as budget reconciliation to pass the health care bill with only 51 votes. How do you feel about using budget reconciliation to pass the health care bill with 51 votes?

		Age			Race			Gender		Education
