November 20-23, 2010

14. Support for DREAM Act

The DREAM Act is a bill that would enable current immigrant students who arrived illegally in the U.S. as minors to apply for temporary legal status if they enroll in college or serve in the U.S. military. This would also allow them to eventually seek permanent residency and apply for citizenship. Do you support or oppose the DREAM Act?

39. Opinion of full body scanner machine usages

Full body scans produce detailed pictures of travelers and items that are hidden on their bodies. It might have detected the explosives that were meant to be ignited on the Christmas Day Northwest flight from Amsterdam to Detroit. But many privacy advocates have objected to them. The scanners would not detect items within a person's body. What is your opinion of the use of full body scanners at airports?

	Total	Age			Race			Gender		Education		
		18-29	30-64	65+	White	Black	Hispanic	Male	Female	HS or Less	Some College	College Grad
They should be used for all passengers	30.8%	24.5%	30.9%	39.3%	28.5%	43.0%	37.9%	26.6%	34.8%	36.2%	29.1%	23.9%

The Economist/YouGov Poll

November 20-23, 2010

Sponsorship	<i>The Economist</i>
Fieldwork	YouGov
Interviewing Dates	November 20-23, 2010
Target population	U.S. citizens, aged 18 and over.
Sampling method	Respondents were selected from YouGov's PollingPoint panel using sample matching. A random sample (stratified by age, gender, race, education, and region) was selected from the 2005–2007 American Community Study. Voter registration, turnout, religion, news interest, minor party identification, and non-placement on an ideology scale, were imputed from the 2008 Current Population Survey Registration and Voting Supplement and the Pew Religion in American Life Survey. Matching respondents were selected from the PollingPoint panel, an opt-in Internet panel.
Weighting	The sample was weighted using propensity scores based on age, gender, race, education, news interest, voter registration, and non-placement on an ideology scale. The weights range from 0.6 to 3.6, with a mean of one and a standard deviation of 0.4.
Number of respondents	1000
Margin of error	± 3.4% (adjusted for weighting)
Margin of error (Registered Voters)	± 3.8% (adjusted for weighting)
Survey mode	Web-based interviews
Questions not reported	25 questions not reported.
