The Economist/YouGov Poll

June 25-28, 2011

15. Support for Afghanistan troop withdrawal in July 2011

Barack Obama said that he will remove 10,000 U.S. troops from Afghanistan by the end of 2011, and 23,000 more by the end of 2012. Do you support or oppose his plan for withdrawing U.S. troops from Afghanistan?

16. Pace of Afghanistan troop withdrawal

There are currently 99,000 U.S. troops in Afghanistan. Barack Obama plans to withdraw 33,000 U.S. troops by the end of 2012. Would you say that this pace of withdrawal is too fast, too slow, about right, or do you oppose the troop withdrawal altogether?

39. Preference of current or new cigarette warning labels

Above are two examples of cigarette health warning labels. The image on the left is an example of the current warning label. The image on the right is an example of a new warning label that will appear on cigarette packages starting in September, 2012. Which warning label do you think is more effective at discouraging smoking?

See appendix to view images shown to respondents

53. Citizenship for U.S.-born babies of illegal immigrants

What about children born to people who have come to the United State illegally? Should children born to illegal immigrants within the borders of the United States be considered United States citizen?

54. Repealing birthright citizenship

The Fourteenth Amendment to the U.S. Constitution gives U.S. citizenship to anyone born within the borders of the United States. In order to prevent children born to illegal immigrants within the borders of the United States from becoming citizens, should the Constitution be changed?

The Economist/YouGov Poll

June 25-28, 2011

Sponsorship	<i>The Economist</i>
Fieldwork	YouGov
Interviewing Dates	June 25-28, 2011
Target population	U.S. citizens, aged 18 and over.
Sampling method	Respondents were selected from YouGov's PollingPoint panel using sample matching. A random sample (stratified by age, gender, race, education, and region) was selected from the 2005–2007 American Community Study. Voter registration, turnout, religion, news interest, minor party identification, and non-placement on an ideology scale, were imputed from the 2008 Current Population Survey Registration and Voting Supplement and the Pew Religion in American Life Survey. Matching respondents were selected from the PollingPoint panel, an opt-in Internet panel.
Weighting	The sample was weighted using propensity scores based on age, gender, race, education, news interest, voter registration, and non-placement on an ideology scale. The weights range from 0.5 to 4.3, with a mean of one and a standard deviation of 0.68.
Number of respondents	1000
Margin of error	± 3.8% (adjusted for weighting)
Survey mode	Web-based interviews
Questions not reported	28 questions not reported.
