George Osborne, the Chancellor of the Exchequer, has unveiled his first Budget. He announced cuts in spending and increases in taxes, in order to reduce government borrowing.

Do you think...

It's the right time to cut borrowing sharply, so Britain's economy can recover	48	85	14	49	50	45	38	41	46	59	53	39	47	54	49	42	38
It's the wrong time: higher taxes and lower spending this year could drive Britain back into recession	33	4	71	27	33	33	36	36	37	23	28	39	36	26	30	37	47

Spending on the NHS and international development is being protected from spending cuts. As a result, cuts in other government departments will have to be deeper in order to achieve the overall target for spending cuts.

Do you think it is right or wrong to protect spending on the NHS, if this means deeper cuts elsewhere?

Right - its budget should be protected	67	63	77	68	62	71	59	61	71	71	63	71	73	66	63	67	68
Wrong - it should face its share of spending cuts	23	30	15	26	29	18	26	26	21	23	28	18	20	24	29	21	18
