\*Note that this question is asked in two stages. At the first stage, respondents are given the following answer options: Conservative, Labour, Liberal Democrat, Scottish Nationalist/Plaid cymru, some other party, would not vote, don't know. Those who respond "some other party" are then asked: "Which of these parties would you vote for?" and given the following answer options: Green, United Kingdom Independence Party (UKIP), British National Party (BNP), some other party, don't know. The above table shows the combined figures from both parts of the question. "Other" included SNP/Plaid Cymru (2%), UKIP(4%), BNP (2%) and Green (3%).
