Some people have suggested that Colonel Gaddafi should be given the opportunity to leave Libya and go into exile in another country rather than face trial, if it would lead to a peaceful outcome for Libya. Other people think Gaddafi must be brought before a court to be tried for crimes against his people. Which of the following best reflects your view?

- Colonel Gaddafi should be given the chance of living in exile if he steps down voluntarily without a fight
- Colonel Gaddafi needs to stand trial for his crimes and should not be given the chance of going into exile
- Neither
