Aug 4-5  
Sept 15-16

The government is seeking changes to public sector pensions that will require public sector workers to work for longer and contribute more to their pensions.

The government say that with people living longer the changes are necessary to make public sector pensions affordable in the long term. The trade Unions say that changes have already been made that make current pensions sustainable.

Do you think it is right or wrong for the government to ask public sector workers to contribute more of their salary towards their pension?

Right	48	<b>44</b>	74	23	53	70	26	40	52	37	24	41	44	56	50	37	51	49	44	37	37
