Scotland's First Minister Alex Salmond has pledged to hold a referendum of the Scottish people on Scotland becoming an Independent country. Some people think English and Welsh voters should also be able to vote on whether Scotland remains in the UK or becomes an independent country, other people are opposed to there being a referendum at all. Which of the following best reflects your view?

- The decision on whether Scotland stays in the UK should be made by Scottish voters alone
- Voters in England and Wales should also have a vote on whether Scotland remains part of the UK
- There should not be a referendum on Scottish independence at all
- None of these
