It was recently reported that the UK Government might be passing information to US authorities to help them carry out missile strikes from unmanned aircraft called “drones” to kill known terrorists overseas in countries like Pakistan, Yemen and Somalia.

To what extent, if at all, would you support or oppose the UK Government assisting in a drone missile strike to kill a known terrorist overseas?

Imagine a terrorist attack against the UK was imminent and could be stopped by a drone missile strike against a known terrorist in Yemen. To what extent, if at all, would you support or oppose the UK Government assisting in this drone missile strike?
